

How to reduce waste at Christmas

Place the people and organisations on to the diagram

Me	Parents / guardians	Government / politicians	Neighbours	Teachers
School	Friends	Supermarket	Country	Factories

Read the statements and decide who can complete the actions

Make gifts from old materials	Buy items with less packaging	Compost food waste	Donate unused food to charity
Recycle as much waste as possible	Wrap presents with recycled paper	Donate unsold food to charity	Make products with less plastic packaging
Re-gift old possessions instead of buying new ones	Buy products with paper rather than plastic packaging	Instead of buying three cheap presents, buy one really nice one	Buy packaging made from recycled plastic

STUDENT SHEET 7a

Me - these actions you can do

My community - these are actions that your family and friends can do

My world - these are actions that supermarkets and government can do
